<b>DESCRIPTION</b>	<p>LEAP is a grades 4-8 program for the Gifted/Talented in the Sherman School, Sherman, CT.</p> <p>One teacher maintains our pull-out program for identified students. The program is based on Renzulli's Enrichment Triad Model.</p> <p>Currently the program services approximately 36 students. Students meet for five class periods per week. As this is a major class period, the students receive a grade. These classes are often cross-grade leveled. This has been very successful.</p> <p>Our program has been in existence for 19 consecutive years.</p>
